

Rewarding Healthy Eating

Dear parents and carers we launched our Healthy eating reward scheme this week during assemblies. Our young people have been issued with **loyalty cards** please encourage them to collect **stamps** from our **business partners** when they purchase a **healthy lunch**. One full card =15 stamps. 3 weeks of healthy eating will be **rewarded** with a red blazer badge. The first pupil to collect all 15 and return the card to Miss Divers in the Home Economics department will win a cinema voucher. We thank you for your support in this, parents as partners!
