Leadership Academy:
Miss Dastey

- Miss Dastey spoke a lot about school standards in terms of uniform. She mentioned it was a privilege to be part of the academy and therefore we must dress as such and support us in uniform ie blazer. S3 agreed this and Keane said it was important for them to 'look the part' in terms of leading.
- We discussed as an academy uniform is an important part of Holyrood as it gives the school a professional image and allows others to recognise us as Holyrood pupils.
- S3 were happy to be future leaders and take on the roles and responsibilities of the current S6 pupils.

Leadership Responsibilities:

- S6 and S3 pupils discussed what roles and responsibilities each S6 leader has within the academy and how they perform this role day to day.
- S6 and S3 discussed their aspect of leadership and what action they would be taking in the coming weeks.
- Phone numbers were exchanged so that they can contact one another.

S4 info evening:

- S4 Information Evening will take place on the 14th March at 6:30pm-8:30pm. There will be Study Skill workshops after the evening.
- S6 and S3 will be presenting at the workshops for Study Skills to the parents of S4 . S6 will mentor the S3.
- The event will be similar to the one S6 pupils have attended before. All S6 agreed this was a very beneficial event.
- Miss Dastey told us that the evaluations of the Study Skills event previously mentioned that parents found the workshops hugely helpful going into the first set of qualifications and

- how best to support their child's study.
- Miss Dastey has asked that we give her visual forms of study methods that we have used so we can use these with the parents.
 - Miss Dastey will prepare and provide a power point for all S6 pupils to run through as individuals in the maths rooms.
 - Sania Gulzar: suggested on using the laminated study plans Miss Dastey had previously made up for the S6's to help plan their studying. As they could fill out the study plan and show the parents how much studying their children should realistically be doing.
 - Ross Somerville suggested on changing the name to " Study Skills extravaganza"
 - Nicholas Graham suggested having food and drinks to help persuade parents to come.
 - Miss Dastey has also been sending constant reminders to the parents about the evening ie text messages, Twitter and a letter will go next week.

Leavers Mass:

- S3's and Miss Dastey will have a further meeting to discuss something special for the S6's in the leavers mass.
- S6 mentors will further discuss this topic with Miss Dastey at our next meeting.
