Holyrood Secondary School

General Information

The Coronavirus (COVID-19) outbreak and its impact upon young people, parents/carers and staff require a specific response from our school. This booklet is designed to give relevant information to all stakeholders in our school community in order to ensure as little disruption as possible to learning, teaching and family life.

We have a number of practical steps in order that our young people's learning can continue in some shape or form. To ensure this happens, our dedicated staff will have at their disposal a number of strategies to engage pupils in a variety of e-learning activities that can be monitored by the school. Finally, we are acutely aware of the challenges that a school closure will have on parents/carers - this guide aims at giving advice and support where possible.

Holyrood Secondary School

CORONAVIRUS: PUBLIC INFORMATION

The Government and NHS are well prepared to deal with this virus.

You can help too.

The best way to protect yourself and others is

Wash your hands with soap and water, or use a sanitiser gel, regularly throughout the day.

Catch your cough or sneeze in a tissue, bin it, and wash your hands.

This is the best way to slow the spread of almost any germs, including Coronavirus.

If you recently arrived back from specified areas follow the returning traveller advice.

Check the list of areas and find out more at:
nhsinform.scot/coronavirus

Holyrood Secondary School

Information for Young People

Expectations

- 1 written pieces per week (S4-S6)
 - 1 written piece per week (S1-S3)
- Per Subject

Some subjects may upload additional work, videos, readings and challenges to keep you motivated!

Methodology

The Digital Learning Team have developed a Remote Learning Glow site where pupils can access innovative learning experiences during the time when schools are closed, for example, YouTube learning, links to a specific aspect of a website, problem solving/creativity tasks etc – to log on, please use the link below

<https://wakelet.com/@GlasgowCityCouncil>

We also have Digital Learning Apps (as shown below) which will be updated by teachers for students

- **GLOW, One Drive and email**
- **Microsoft Teams**
- **Showbie**

Our School Website has an S1-S3/ S4-S6 section, which also has resources to keep pupils engaged.

Information for Parents and Carers

Free Meal Entitlement Contingency Plans during school closures

We are currently issuing Farmfoods Cards to eligible parents and carers. It may take up to 10 days to receive your card. Please do not contact us before Monday 6 April if you have not received your card.

Our parents and carers whose children and young people are currently entitled and in receipt of footwear and clothing grants and/or free school meals will be receiving information this week about the contingency plans in place to help replace free meal entitlement while pupils are not attending school.

We are using the clothing grant and/or free school meals' data as this involves a larger number of families who will receive this support.

Letters are being posted out direct to home addresses with a £20 pre-paid Farmfoods card that can be used to buy food at stores across the city - click here to find your nearest store <https://www.farmfoods.co.uk/store-finder.php>

£20 will then be uploaded every two weeks to the cards for each Glasgow primary and secondary pupil in a family who currently receive a footwear and clothing grant and/or free school meals.

- 13 April
- 27 April
- 11 May
- 25 May
- 8 June

• Please hold on to the card - each card has a serial number on it which will be matched to the addressee - and we plan to top up the cards on the following dates:

• Read our [Farmfood cards frequently asked questions \[237kb\]](#).

Principle Teachers have directed pupils to websites for materials on particular subject areas

- Subject work can also be found via are Apps shown below (they are preinstalled on the iPad):
