

National 5 Assessment Period December 2020

Candidate Instructions

These assessments are to be completed in classrooms and under **exam conditions**.

During the assessments, you're only allowed access to materials needed for the test.

You're not allowed access to:

- Electronic devices including mobile phones, ipads/tablets or smartwatches, or any other device that is web-enabled or stores information
- A calculator or dictionary – except in specified subjects
- Books, notes, sketches or paper of any kind

During the assessments:

- Don't copy from someone else or share your work with anyone else.
- Don't use text language or any abusive/discriminatory language or images in your answers.
- Don't be disruptive in the exam room.
- Don't share equipment with anyone else.
