Dear Parent/Carer

**RE: S5/6 Parents' Evening**

As mentioned in my previous communication we are unable to have face to face Parents' Evenings this session.

We have been aware how long it is since you've had the opportunity to speak to Teachers and are aware of how important it will be to get feedback of progress in their ongoing National Qualifications so we would like to give you the opportunity of signing up for a 5 minutes conversation with class teachers. This would take place on Monday 8<sup>th</sup> November from 4pm to 6pm on either Teams or by Phone. Teachers will inform your child of which method they are using.

The following arrangements will be put in place:

- Appointments should be booked on our Parents' Booking System using the following link <https://www.parents-booking.co.uk/holyrood?userLocale=en>
- All young people should be with their Parents and should switch the camera on for Teams to identify themselves. There is no requirement for staff to have their camera on.
- Teams calls will be accessed through your child's Ipad and therefore they should be present
- Meetings will last no longer than 5 minutes.
- Teachers will allow entry at the exact time and finish the call after 5 minutes. Phone calls will follow the same format.
- Longer appointments can be made with Pastoral Care staff as always.
- Given that you will need use of your child's Ipad we will allow S5/6 to finish at 3pm on Monday 8<sup>th</sup> to enable them to get home on time.

Unfortunately, we cannot accommodate interpreters in these meetings but if you require an interpreter you should arrange a meeting with Pastoral Care where they will outline the progress and next steps for your child. Details of Pastoral Care Teachers are added below.

This is the first time we are trying such an approach and there may well be some issues. I'd ask for your patience as we navigate through another new experience.

I appreciate your continued support

Yours faithfully

Mrs Sharon Watson  
Head Teacher
