Rights Respecting Schools Group

"A Rights Respecting School looks like a normal school but that doesn't matter. What matters is the feeling that the school gives. When I walk in my school I feel safe, welcomed and equal to everyone else but the great thing is that all the pupils treat each other with respect and treat everyone equally. The staff members encourage pupils by getting posters up and letting people express their self."

We were delighted to receive this lovely paragraph about how an S1 pupil feels about learning in Holyrood: #RightsRespectingSchool #UNICEF #HolyroodSec

Our S6 Rights Respecting Schools Steering Group, working on plans for the future.

Our Pupil Voice Focus Group, hard at work on Equity and Inclusion issues.

Our new Rights Respecting Schools Steering Group, celebrating our Bronze Award.

Our Rights Respecting Schools Steering Group worked hard to complete our application for Bronze Rights Respecting Schools status. This was the end result of two years of hard work.

We were delighted to be awarded Bronze: Rights Committed status in December 2020.

Currently we are working with the Pupil Voice team to elect Rights Respecting Schools Ambassadors and making plans for 2021. We are also working hard on our School's Equality and Inclusion policy, which will inform our work next term.
