8<sup>th</sup> March 2023

Dear Parent/Carer,

The Personalisation and Choice exercise for young people in S1 will soon begin. Your child will begin to specialise in some curricular areas as they move into S2. As your child begins the Personalisation and Choice exercise, there are a number of events to help support you and your child.

The second S1 Tracking and Monitoring Reports will be distributed at the end of next week. This will give an update on your child's progress in learning to date, the current level they are working at and how well they are engaging with their learning.

On Thursday 16<sup>th</sup> March at 6pm, there will be an S1 Parents Information Evening where details of the S2 curriculum and the Personalisation and Choice exercise will be shared. This will take place on Teams, which you can access via your child's school i-pad. The information evening can be accessed via the meeting link on the S1 Teams page, which will be posted prior to the Information Evening.

Your child will also be given details about their S2 curriculum and the Personalisation and Choice exercise during an assembly taking place on Thursday 16<sup>th</sup> March.

On Monday 20<sup>th</sup> March, the S1 Parents and Carers Evening will take place. This meeting is a face to face meeting and an opportunity to meet with your child's teachers to discuss their progress. Details of how to access the Parents Evening Booking System are available on the school website at <https://holyrood-sec.glasgow.sch.uk/parents/parents-evening-booking-system/>. The Parents Evening Booking System is now open for appointments.

Following the Parents and Carers Evening, your child will then select the subjects they wish to specialise in for S2. There will be input from our Skills Development Scotland colleagues, who will help your child in thinking about subjects and their pathways.

Should you have any queries about the Personalisation and Choice exercise, please do not hesitate to contact your child's Pastoral Care teacher or myself.

Yours sincerely,

Megan Gardner  
Deputy Head Teacher (S1)
