Applying to University: A Parent/Carer Guide

October & March | Online

Join our GCU Connect information series for parents/carers of university-bound pupils. Get key insights to confidently support your child's university application journey.

Applying to University: A Parent/Carer Guide

October & March | Online

Join our GCU Connect info series for parents/carers of university-bound pupils. Get key insights to confidently support your child's university application journey.

Session 1
Supporting your child through the UCAS process

21 October | 6–6:40pm
This session provides parents/carers with an overview of the UCAS process for their child. We'll cover key dates, application requirements, navigating the new personal statement format, useful resources and support, and talk about university responses and available options.

Session 2
What financial support is available?

31 March | 6–6:30pm
This session covers university funding sources, including SAAS, scholarships, bursaries, and other financial support for students.
